

ROBBERTSON.

Special Correspondence.

Robbertson, I.T., Sept. 30.—Tom Harrison left for the Choctaw Nation a few days ago for the purpose of securing a new location to which he will take his cattle before winter sets in. The cattle range here is pretty much a thing of the past.

Sandy Bear, Salt Creek and Wild Horse streams are all dry and grass being practically gone, cattle are having to fall back on ragweeds and tank water, which is none too plentiful this dry weather.

Several farmers around Robbertson have learned to their sorrow that it won't do to crib green kaffir heads or to stack kaffir cane too early, unless they are doing it for incubating purposes and do not care to save the crop. Farmers in this community will plant kaffir corn more exclusively in the future, as it is a good feed and a crop that dry weather won't phase.

A night singing school has been organized and will begin Monday night.

Mrs. Will McCarty's condition continues serious.

Deputy Scrimsher arrested Joe Munkers and Granger Spain, of Ara, and took them down to Pauls Valley Friday. Both men were charged with aggravated assault, and Munkers also had a pistol case. Both gave bond and were released.

WOMAN CHARGED WITH CRIME.

Will Be Brought From Missouri to Stand Trial.

Guthrie, O. T., Oct. 1.—Mrs. Rachel Coffield will be brought from Joplin, Mo., to Chandler to stand trial on the charge of being accessory to the killing of her daughter, Miss Mary Fry, Governor Jenkins having issued a requisition on the governor of Missouri for her return.

Mrs. Coffield has two daughters by a former husband, named Fry. The older, Mary, aged 15, was engaged to a very prominent young man of that vicinity. It is charged against the stepfather that he was criminally intimate with the girl and that he was the father of the child to be born to her. It is charged that Coffield secured the services of a horse doctor, Talbott, to perform an operation on the girl as a result of which she died. Coffield, charged with statutory rape; Talbott with manslaughter, and Mrs. Coffield as an accessory, will be tried this week in Chandler.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. K. Grandin, the popular druggist of Ontario, N.Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came in in company with a friend in need of cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy. It is for sale by City Drug Store and F. J. Ramsey."

LOOKING BACK

To the time when she was plucked from the very grasp of death, the natural impulse of the womanly heart is thankfulness for the means which saved her, and a desire to help other women in like case. Those are the motives which prompted Mrs. Eva Burnett to write the accompanying testimonial to the curative power of Dr. Pierce's Favorite Prescription. This is only one cure out of thousands. No one would dare say that the average woman was not as truthful as she is good. And it is the truthful testimony of the average woman that "Favorite Prescription" cures womanly diseases when all other means and medicines absolutely fail. It establishes regularity, dries the drains which weaken women, heals inflammation and ulceration and cures female weakness. It tranquilizes the nerves, restores the appetite and induces refreshing sleep.

"I have intended for some time to write to you," says Mrs. Eva Burnett, of Russellville, Logan Co., Ky., "and give a testimonial in regard to what your medicine has done for me. My baby came in July, 1899, and I had congestive chills, and lay at death's door for ten long weeks. I was in a dreadful condition and had six of the best doctors of the city. After everything had been done and I had been given up to die I asked my husband to get me a bottle of Dr. Pierce's Favorite Prescription. He had no faith in it, but he got it, and when I had taken it two weeks I was able to walk to the dining room for my meals and by the time I had taken three bottles I was able to look after my family of four. I can never praise Dr. Pierce and his medicine enough."
